

Handwriting A Graduation Card

It has been said, “never underestimate the power of a hand-written note.” Sometimes it can be difficult to know what words to use when writing a hand-written note. High school graduations can be a great opportunity to send a hand-written message in a card.

I recently went through the cards I received at my graduation ten years ago. Admittedly, it was an emotional but inspiring task and I’m glad I was able to have the notes to read.

Here are just a few of the inspiring notes I received in those cards:

- We are proud of you, praying for you, believing in you. God has great things planned for you. Don’t miss them.
- We pray that God will use you and your gifts in many special ways. There could be no greater blessing than that! - Proverbs 3:5-6
- God measures our success with the yardstick of obedience, faithfulness, and righteousness. If you are faithfully doing the work God gives you, you are successful in His eyes.
- Remember, God always gives you the strength to accomplish what He asks us to do.
- Always keep God first in your life! - Matthew 6:33
- We are so proud of you, and are excited to see what God has in store for you as you follow His plan for your life!
