DISCUSSION QUESTIONS:

Here is an exercise that will help you apply the teaching. Consider discussing these questions with someone else:

1. Why do you think people often are bent out of shape over worship styles?
2. Which of these biblical acts of worship feel most natural to you: kneeling, raising hands, dancing, or praising?
3. How can you grow in your in-church worship expression? Pray a prayer of commitment to follow through now and forever.
4. What is a hindrance to worshipping freely?
5. Describe one expression of worship you have enjoyed at home during the days of social distancing?
