THE STRUGGLE IS REAL: Struggling to Remember (accept) What God Has Done Colossians 1:11-14

Introduction

When a Christian is operating in the flesh, victory over sin is possible, but only for a little while. The symptoms of sin can be handled one at a time but they will keep coming back because there is always more than what we see. We need One greater than us to deal with our sin.

TT - There are some blessings that God has done for us when we called on Him and we need to remind ourselves of those blessings from the text:

I. You Are _____ By Him - v. 11 - *“strengthened with all might...”*

II. You Are _____ By Him - v. 12 - *“which hath made us meet...”*

III. You Are _____ By Him- v. 29 - *“Who hath delivered us...translated us...”*
